*You may use this form to request a Transaction Terminal; however, if insufficient units are available for all who request them, units will be distributed to locations determined by NMFS to be most convenient for the fishing fleet and most likely to insure timely and accurate reporting of landings of IFQ halibut and sablefish. To assist those without Transaction Terminals, NMFS will attempt to place the units at appropriate public places, such as Harbormaster Offices. Locations of all such units are available on the NMFS Computer bulletin board or upon request. **Terminals and Printers provided by NMFS are the property of the U. S. Government.***
